New realities demand courage and determination. We move forward together in this adaptation, with the confidence and energy that unite and distinguish us.

OUR COMMITMENT IS WITH YOU!

SUSTAINABILITY

Sedex[®] Member

Our activity is developed in line with a cohesive and appropriate strategy for a more sustainable future that is based on the 4 basic pillars: Health and Safety, Labour and Human Rights, Environment and Ethics.

We act in compliance with European laws and rules, in respect of human and worker rights, social and environmental responsibility.

It is a logic of changing attitudes towards a more sustainable life. At its base there are **3 fundamentals** to consider in any choice:

✓ **Reuse**, to which we can contribute by avoiding the purchase of single-use products.

✓ **Recycling**, where the principle is that the end of one product is the beginning of another and that each one of us can start this cycle.

✓ **Responsible consumption**, which we can practice by avoiding the purchase of products made of harmful materials, of doubtful origin or in excessive quantities.

Together we can make a difference and the time is now.

Decide Tomorrow Today

TRUST

Our commitment with you is based on the relationship of trust that we have established. We work on each new collection to bring quality and originality to the products we offer. The result is a balanced and dynamic offer to serve your daily life.

Enjoy the oldest european tea.

Offering gorreana is offering history with aroma.

Founded in 1883 and located in Azores, the Gorreana tea factory is the oldest in Europe. The same family has been managing the planting area of 45 hectares for about 5 generations.

Gorreana teas represent a union of taste, health and ecology.

Gorreana teas have worldwide recognition and are ranked as some of the best and purest teas in the world.

Black tea

The black tea Pekoe has a very strong and aromatic flavour. It is produced from the plant's second bearing bud. Due to the strong oxidation of *Camelia Sinensis* leaves, this tea displays a reddish and dark color and it also contains antioxidants, neuro-stimulants and caffeine.

Green tea

Green tea is rich in tannin and has a smooth taste. This tea has great anti-oxidant and slimming effects, anti-cancer and anti-aging properties.
